COMIC CON, GIFTS, AND MOM

EDITOR'S *note*

Well, we're back from another banner year at Comic Con International San Diego! By all accounts, the ***PREVIEWS*** booth was once again a hub of activity that drew crowds all week long. From our toy displays to guest stars like DMC of Run/DMC fame, the ***PREVIEWS*** booth was always buzzing with activity.

Hopefully you were one of the lucky people who decided to heed my words and venture up to Room 8 in the Convention Center to take part in our ***PREVIEWS*** panel discussion. Andy Mueller, Diamond's Consumer Marketing Manager, hosted the panel, explaining what this catalog is, how to use it, and how to maybe even get into it. I was there too, along with my buddy Vince Brusio, editor of our ***PREVIEWS***world website. The turnout was by no means at capacity, but at least half the audience left with an action figure, statue or game… and everyone left with a free copy of ***PREVIEWS***. We'd like to do another panel again next year, and hopefully the folks who came out for this year's panel will tell their friends, and we can give away more goodies!

And speaking of giving stuff away, this month's theme is of course, *Gift Ideas*! We feature this theme every year right around this time to coincide with the November-shipping items, stuff arriving just in time for the prime holiday shopping season. Throughout this issue we've got plenty of great items that would make perfect gifts for anyone in your world, and we've got some great suggestions over on our FlipSide feature too. And don't forget to order the ***PREVIEWS*** Holiday Gift Guide, the latest issue is offered on page 23 of this issue, and is jam-packed with plenty of great items!

I can't believe it's already September (well, it's technically the first week of August as I write this), where did the summer go? I hope you all got a chance to get away or get out of town, even for a weekend, to enjoy the summer while it lasts. Before we know it, it'll be fall and we'll be looking forward to Halloween, turkeys, and those chilly evenings that lie ahead of us. So while the "heat" is still on out there, get out and enjoy it while you can!

On a final note, please send some good thoughts and positive vibes to my mom, Margarete. She recently had her right knee replaced with a bright shiny new metal one and she's facing a few weeks of therapy following the procedure. But she's a tough lady! She lived through WW2 and came to America from Germany with my pop in the 1950s to start a new life, and I have every confidence that she'll be up again in no time!

Thanks for reading ***PREVIEWS***, and I'll see you here again next month!

We've broken down the product listings to easy-to-understand sections: Comics & Graphic Novels; Books; Magazines; Trading Cards; Toys, Statues & Models, and more.

Each month, you'll find detailed listings for almost every comic book and pop-culture product that will be available in comic shops in 2 months. So, if you're looking at the April issue of ***PREVIEWS***, most items will be in comic shops sometime in June.

How do I order from *PREVIEWS*?

Ordering from ***PREVIEWS*** is is easy! There are **3** simple ways to order:

1 Use the Short Order Form.
Fill in with the items you'd like to order from this issue.

This month's featured creators is...

RENAE DE LIZ

Renae De Liz: In her own words...

I am a professional artist (and now writer) of comic books, living in Portland, Maine. I started getting into comics when I was around 9 or 10 when I picked up a ***Betty & Veronica*** *comic in the check-out of a grocery store. I was instantly hooked, and my interests spread to all types of stories (anime, superhero, fantasy, horror). Eventually I started drawing my own stories, and I knew pretty quickly that this was what I wanted to do for the rest of my life. I always loved to draw, but here was a way to completely tell a story visually all by myself (versus animation or videogames in which you often need to work with teams). I became obsessed with drawing comics through all my teen years. When all the kids were outside playing, I was inside drawing a story about dragon hunters. After a while, I let others convince me nothing good would come of my love of drawing comics, and quit drawing for almost five years after high school to try get a "real career". Luckily I found my way back to drawing and never stopped again. I've been doing this professionally for about eight years now, and am having the time of my life!*

What are your favorite projects you've contributed to over the past decade?

The Last Unicorn, *Peter Pan*, and *Sonic the Hedgehog* were the most amazing because those are stories/characters from my childhood that I'm deeply attached to. Working on something I'm passionate about is definitely the way to go. I'm a pretty emotionally driven artist, so I tend to do my best work when I truly care about the story. When you love what you're working on, you enjoy every second of it.

I was also Project Manager of ***Womanthology***, which is a for Charity book funded on Kickstarter. It was the most challenging project I've ever had (by FAR!), but there were so many amazing things I experienced from it that it will always be something very special to me.

What are you currently working on?

I'm just finishing up Volume 1 of my creator-owned adaptation of the original ***Peter Pan*** novel, which I funded through Kickstarter. And I'm also currently working on two other big projects for major publishers that are yet unannounced... so I can't say what they are yet! But I am so *SO* excited about them!

What fun titles are you reading right now?

I've been having fun re-reading old favorites from my teen years, like *Bone*, *Strangers in Paradise*, *The Maxx*, *Magic Knight Rayearth* and *Gen13*. My tastes are pretty broad in comics, but the art must be expressive for me to really like it!

TONY STARK FINDS A NEW ATTITUDE IN *SUPERIOR IRON MAN*

MARVEL PREVIEWS, $X.XX, XX PAGES

Tony Stark has always known he is one of the Marvel Universe's smartest humans. The CEO of Stark Industries, he holds a portfolio of patents worth billions, many of them developed as he designed and refined his Iron Man armor over the years. Life and experience tempered Tony's arrogant certitude of his gifts, until recent events have transformed Tony Stark into a man without an ounce of humility. Now, he has a gift for humanity, a gift that humanity will take whether it wants it or not, in Tom Taylor and Yildiray Çinar's new series for Marvel Comics, *Superior Iron Man!*

Arising from events in *Avengers & X-Men: Axis*, Tony Stark has relocated to San Francisco, and the City by the Bay will become the testing ground for his experiment in creating a technological utopia. If the human body poses an engineering problem of design and disease, Stark will reengineer it to be stronger and sturdier. The city's populace is given access to Stark's Extremis technology, and soon their bodies will be upgraded to make them smarter, faster, hardier, more resilient, more perfect. Creating a post-human population in one of America's major cities will not come easily, and Tony Stark will soon find himself and his plans in conflict with an unexpected opponent — Daredevil!

But San Francisco is not the only thing changed by Stark's project. Stark himself has a new attitude. He knows that he has humanity's best interests at heart, and even more he knows that he can push himself to his limits and beyond. He is determined to make himself into a better Iron Man, a superior Iron Man. And woe to anyone who stands in his way!

Writer Tom Taylor and artist Yildiray Çinar join forces for this new chapter in Tony Stark's life. Iron Man is relaunched with a new setting, new challenges, and a new attitude for the Avengers NOW! in October's *Superior Iron Man!*

IN THE WAKE OF AVENGERS & X-MEN: AXIS, TONY STARK TRANSFORMS SAN FRANCISCO INTO A TECHNO-UTOPIA!

DISCOVER IMAGE'S HUGO AWARD-WINNING SAGA IN A NEW EDITION

Two years ago Image Comics began publishing one of the most innovative and acclaimed comics of recent years — Brian K. Vaughan and Fiona Staples' *Saga*. Set against the backdrop of an interstellar war, Saga is the tale of lovers from opposite sides in the conflict who choose to put aside the conflict and raise a family. Compared to *Game of Thrones* and *Star Wars*, *Saga* quickly cemented itself as a must-read title and earned the Hugo Award for Best Graphic Story.

In November Image Comics releases the *Saga Book One Deluxe Hardcover*. In addition to its striking cover artwork, this 500-page volume collects the first 18 issues of *Saga* as well as behind-the-scenes material includes sketches, scripts, and interviews. The *Saga* hardcover deserves a place on the bookshelf for long-time fans, and it provides new readers a comprehensive entry point to the acclaimed series!

Now, "The Two-Way Crimes of Two-Face" is adapted to comics by two comic book legends: writer Len Wein and artist José Luis Garcia-Lopez. Also included in this special edition are Ellison's original prose story outline and the complete, original pencils by Garcia-Lopez.

New York City, late 1970s. Times Square is a haven for sex and drugs. The city teeters on the verge of bankruptcy, while blackouts can strike at any moment. This is the world of THE KITCHEN.

The Irish gangs of Hell's Kitchen rule the neighborhood, bringing terror to the streets and doing the dirty work for the Italian Mafia. Jimmy Brennan and his crew were the hardest bastards in the Kitchen, but after they're all put in prison, their wives – Kath, Raven and Angie – decide to keep running their rackets. And once they get a taste of the fast life and easy money, it won't be easy to stop.

THE KITCHEN takes one of the most popular genres in entertainment and, like *The Sopranos*, reimagines it for a new generation to present a classic gangster story told from a fresh point of view.

Written by talented newcomer Ollie Masters with stunning art by Ming Doyle (*Mara*) and killer covers by Becky Cloonan (GOTHAM ACADEMY, *Killjoys*, DEMO), THE KITCHEN is not to be missed.

Long considered to be prime examples of late 1940s' "headlight" and "Good Girl" art comics, issues of *Junior and Sunny* have been quite difficult to find and very expensive to obtain. Until now!

Created, written, and illustrated by the legendary E.C. Comics artist/writer/editor **Al Feldstein**, *The Complete Junior and Sunny* presents the full run of these comics, along with a historical introduction by **Grant Geissman**. Although the stories are charming, "typical teenage" period pieces, Feldstein's artwork often pushes the envelope for the time, with titillating covers and often-suggestive images in the stories themselves.

A BABY BLUES COLLECTION: WETTER, LOUDER, STICKIER TP
(W) Rick Kirkman
(A/CA) Jerry Scott
Child-rearing reaches an entirely new level of delightfully messy chaos in *Baby Blues: Wetter, Louder, Stickier*. Battle-ready and perpetually exhausted, Daryl and Wanda team up to navigate a new front of challenges, like Zoe's enthusiasm over the "Smoochy Boyz" concert, deciphering baby Wren's attempts at language, and determining Hammie's place as a colon in the school play (whether "colon" refers to punctuation or digestion remains undetermined). Armed with "performance-enhancing substances" (a.k.a., chocolate donuts), the perfectly normal MacPherson family will surely bring a barrage of smiles and laughter to familiar fans with their perfectly chaotic lives. A ZITS TREASURY: PEACE, LOVE & WI-FI TP
(W) Jim Borgman
(A/CA) Jerry Scott
The world of sixteen-year-old Jeremy Duncan revolves around his insatiable "growing boy" appetite, lip-locking with squeeze Sarah, keeping his jerry-rigged vehicle roadworthy, and playing with his band, Goat Cheese Pizza. Somewhere in the background, he's vaguely aware of some muted voices, constantly beseeching him to pick up his Matterhorn-sized clothes pile, to be home on time (so lame!), and to (God forbid!) communicate with them. The disembodied voices are those of Connie and Walt, his mostly patient, but sometimes frustrated to exploding, parents. In *Zits*, they portray a hilarious view of coping with a teenager and with being a teenager. (STK653011) (C: 0-1-0)

MOOMIN DELUXE ANNIVERSARY EDITION HC IN SLIPCASE

Drawn & Quarterly

There is so much to learn about Moomin. Important things like: Moomin is a troll; Moomin loves The Snork Maiden who's very similar to a troll; and Moomin lives with his parents MoominMamma and MoominPappa who are -- but should not have been assumed to be -- also trolls.

These key facts will surely help the uninitiated, but too much more explanation tends to bog down the simple joy of these comics. It would be like trying to define *Peanuts*, *Calvin and Hobbes*, or *Totoro*. Once you have the names and relationships, their creator has done such a masterful job making the characters play on paper that it's just best to let the characters speak for themselves with their own wonderful, quirky, honest voices.

Drawn and Quarterly must agree with my assessment, because after releasing 20 different, sparkling *Moomin* volumes over the past 7 years (all still in print!), they're bringing forth an amazing new collection: the *Moomin Deluxe Anniversary Edition* hardcover. It's all in celebration of *Moomin*'s fabulously talented creator, Tove Jansson. It's been 100 years since her birth and this collection pulls together more than 450 pages of her life's work. Recognized internationally as a children's author of the highest order, she was also an author, illustrator, and satirist. Her *Moomin* career began during the Second World War, when she was determined to create something that brought happiness. And what happiness!

Come pick up a collection full of happiness in special happiness slipcover and join myself and Drawn and Quarterly in wishing Tove Jansson a very happy centenary!

~ *Sarah Martinez*

DARK GODS™

The human race lives in ignorance of the universe we live in.

This is a mercy.

I don't mean that as just a set up for fiction. We live on a tiny ball of rock hurtling through a universe that is unfathomably large. We are the product, each of us, of an uncountable number of unlikely coincidences. We are alive because that driver got started a minute later one day and didn't blow through that red light when we were there.

That is the universe we live in. It is vast, it is only marginally predictable, and it is the only one we have. And our ability to live in it is based on our ability to not understand the fundamental chaos that underpins it. We live in blissful ignorance because that's pretty much the only way to actually live.

We need to believe in an orderly universe in order to survive.

Gods and monsters are an artifact of that urge. There were things our ancestors understood, things they could see, patterns in the noise. This was the day-to-day knowledge of life. But they were also aware that there were things they couldn't explain. Why did the storms come? Why did the plagues strike? Why did evil happen?

Humans are not good at having no explanation, and if none presents itself, we will create one. Because any explanation, any order imposed on the chaos is better than none. So we created gods to impose an order on the world that we could understand, even if we could not control it.

Dark Gods is about chaos. *Dark Gods* is about a universe where the order we impose on chaos is slowly stripped away, and we're made to see just how deep and dark reality runs. Because the chaos is aware and alive, and it wants into our orderly universe. When we created the gods, we gave them a way in.

The chaos faded. And now it is coming back. The abyss is staring up at us, and it is hungry.

HOWARD NOSTRAND'S NIGHTMARES

IDW Publishing

When you think of horror comics, the gory days of the EC Comics come to mind for many older fans, to some *Creepy* and *Eerie* magazines, while *House of Mystery* and *The Witching Hour* scared readers decades later. In all cases scary stories were illustrated by some of the biggest names in comic book history. Classic stories were illustrated by artist like Jack Davis, Graham Ingels, Steve Ditko, Bob Powell, and Howard Nostrand, an artist that made you want to read the Harvey comics horror titles.

My first real knowledge of Howard Nostrand was reading the graphic story magazine featuring an interview with him. At that point I began looking for comics with his work, much like how I got hooked on Alex Toth. Nostrand's style was a mix of the Jack Davis cartoon style but with a slickness and moody finish associated with Wood, Lee Elias, and Bob Powell. While some consider him the king of the swipes, Nostrand could take other artists' ideas and make them uniquely his own

While there have been other publishers that have reprinted some of Nostrand's work, this edition is reproduced from the original art, no small feat given the age of these stories. If you look at the quality of the IDW Artist Editions then you know what the quality of this book will be.

Howard Nostrand's Nightmares from IDW Publishing is a welcome addition to a library already filled with archives of EC Comics, ACG, Fiction House, and Harvey Horror collections.

> WHY WE LOVE IT

You know all those conspiracy theories you hear about? Like how the Jonestown Massacre was a failed MKULTRA experiment by the government, or how Lee Harvey Oswald was trained and brainwashed to be an assassin? Well, what if some of those were true? ***DEEP STATE*** is a dream (nightmare?) come true for conspiracy theory nuts including all of us at BOOM!

> WHY YOU'LL LOVE IT

With ***LUTHER STRODE***, ***DEAD BODY ROAD***, and ***SPREAD***, Justin Jordan has become one of the eminent voices in hard-hitting, intelligent, original comics, and Ariela Kristantina *(DEATH OF WOLVERINE)* brings her unique, idiosyncratic style that has made her a breakout talent. If you're even remotely interested in conspiracy theory stories from comics like ***PLANETARY*** and ***SLEEPER*** to films like ***ENEMY OF THE STATE*** and ***THREE DAYS OF THE CONDOR***, you'll be gripped by ***DEEP STATE!***

> WHAT IT'S ABOUT

John Harrow doesn't exist, and his job is to make sure that other things don't exist, too. At any given time, the government is running dozens of black book operations, experiments that aren't on any official record and are never acknowledged to exist. Some of these are innocuous. Some of them are monstrous beyond reason. And most of the time, they go as expected and the public is never the wiser. Most of the time. John Harrow's job is to handle them when things go wrong, and do anything to make sure the government's secrets stay just that—secret.

COVER ART: VANESA R. DEL REY

$14.99	112 PAGES	FULL COLOR

> WHY WE LOVE IT

You say your crime noir story is based on a group of hard-boiled policemen during 1950s Los Angeles that did a little wetwork under the table, ridding the city of its scummiest residents one lowlife at a time? And it features the art debut of Russ Manning Award for Most Promising Newcomer nominee Vanesa R. Del Rey? Oh, we're so there.

You look into his eyes, and you'll see a hitman who spends his nights making "untouchable" criminals disappear for the Los Angeles Police Department. But all it takes is a blonde bombshell from his past and a crime syndicate trying to muscle in while Mickey Cohen's in prison to open Slater's eyes to who he really is. > WHY YOU'LL LOVE IT

Michael Moreci *(CURSE, HOAX HUNTERS)* and Dan McDaid *(MIND THE GAP)* bring the hard-bitten world of ***DAWN OF THE PLANET OF THE APES*** to life-dealing with both classic and modern POTA questions of what the true meaning of "society" is, and if being "civilized" is even possible in a world wracked with strife. Great for fans of end-of-the-world stories like ***12 MONKEYS***, ***THE ROAD***, and ***CHILDREN OF MEN***.

Featuring a story by Oscar Award-Winning Writer/Director, and Django creator Quentin Tarantino, and award-winning writer/artist/creator Matt Wagner! The official sequel to Django Unchained in the first-ever comic book sequel ever done of a Tarantino film!

Set several years after the events of Django Unchained, Django/Zorro #1 finds Django again pursuing the evil that men do in his role as a bounty hunter. Since there's a warrant on his head back east, he's mainly been plying his trade in the western states. After safely settling his wife, Broomhilda, near Chicago, he's again taken to the road, sending her funds whenever he completes a job. It's by sheer chance that he encounters the aged and sophisticated Diego de la Vega – the famed Zorro – and soon finds himself fascinated by this unusual character, the first wealthy white man he's ever met who seems totally unconcerned with the color of Django's skin… and who can hold his own in a fight. He hires on as Diego's "bodyguard" for one adventure and is soon drawn into a fight to free the local indigenous people from a brutal servitude, discovering that slavery isn't exclusive to black folks. In the course of this adventure, he learns much from the older man (much like King Schultz) and, on several occasions, even dons the mask and the whip… of The Fox!

MOOMIN: THE DELUXE ANNIVERSARY EDITION HC

(W/A/CA) Tove Jansson
A celebration of Tove Jansson's legacy, 100 years after her birth. Tove Jansson's *Moomin* stories made her one of the most beloved Scandinavian authors of the 20th-century. Jansson's whimsical tales of Moominvalley resonate with children for their light-hearted spirit, and with adults for their incisive commentary on the banality of everyday life. 2014 marks the centenary of her birth, and Jansson is being honored with events in Japan, Scandinavia, England, Germany, Russia, Australia, Italy, Spain, and France. Drawn & Quarterly is joining the festivities by releasing *Moomin: The Deluxe Anniversary Edition*, a slipcased, hardcover collection of the complete Tove Jansson-penned *Moomin* comic strip, replete with all of her most popular storylines and original pencil sketches. The volume celebrates the classic comics the world adores, and will feature essays about Tove's work on the *Moomin* strip. (STK654913) (C: 0-1-1)

ACME NOVELTY DATEBOOK VOLUME 1: 10TH-ANNIVERSARY PRINTING HC

(W/A/CA) Chris Ware
Acclaimed cartoonist Chris Ware (*Building Stories*) reveals the outtakes of his genius in these intimate, imaginative, and whimsical sketches collected from the years during which he completed his award-winning graphic novel *Jimmy Corrigan: The Smartest Kid on Earth. Acme Datebook* Volume One is as much a companion volume to *Jimmy Corrigan* as a tremendous art collection from one of America's most interesting and popular graphic artists. Chris Ware surprises the reader on every page with its spontaneity, its mordant humor, and its excellent draftsmanship. (STK622627)

ACME NOVELTY DATEBOOK VOLUME 2 HC

(W/A/CA) Chris Ware
Working directly in pen and ink, watercolor, and white-out whenever he makes a mistake, Ware has cannily edited out all legally sensitive and personally incriminating material from his private journals, carefully recomposing each page to simulate the appearance of an ordered mind and established aesthetic directive. Included are Ware's frustrated doodles for his book covers, angry personal assaults on friends, half-finished comic strips, and lengthy and tiresome fulminations of personal disappointments both social and sexual, as well as his now-beloved drawings of the generally miserable inhabitants of the city of Chicago. SYLLABUS: NOTES FROM ACCIDENTAL PROFESSOR SC

(W/A/CA) Lynda Barry
Award-winning author Lynda Barry is the creative force behind the genre-defying and best-selling work *What It Is*. She believes that anyone can be a writer and she has set out to prove it. *Syllabus: Notes from an Accidental Professor* is the first book that will make her innovative lesson plans and writing exercises available to the public for home or classroom use. Barry teaches a method of writing that focuses on the relationship between the hand, the brain, and spontaneous images, both written and visual. *Syllabus* takes the course plan for Lynda Barry's workshop and runs wild with it in Barry's signature densely detailed style. Collaged texts, ballpoint pen doodles, and watercolor washes adorn *Syllabus*'s yellow lined pages, which offer advice on finding a creative voice and using memories to inspire the writing process. EARTHLING GN

(W/A/CA) Aisha Franz
A finely wrought account of aliens and alienation in the suburbs. German cartoonist Aisha Franz's debut graphic novel details a few short days in the life of two sisters and their single mother. Set in a soulless suburb populated by block after block of identical row houses bordered by empty fields and an industrial no-man's land, *Earthling* explores the loneliness of everyday life through these women's struggle to come to terms with what the world expects of them. Drawn in deep grey pencil, *Earthling* is an atmospheric and haunting account of the inevitability of losing the dream worlds of childhood. (STK646549) (C: 0-1-1)

No matter what happens, it all seems to go wrong for Freddie. Writer Van Jensen (*Pinocchio Vampire Slayer*) and artist Jose Pimienta (*A Friendly Game*) team up to give comics fans an atypical and action-packed Wild West adventure centered around an unlikely hero, the disembodied leg of the immensely famous Mexican president, Santa Ana. Follow the leg (yes, just the leg) as he combats cantankerous criminals and battles brutish *brujas* in a mission to save the current Mexican president and atone for the notorious actions that his corporeal body was known for at the end of his life and political career.

Beautifully crafted, *The Leg* is a story that seamlessly blends history, the supernatural, and fiction into a colorful whirlwind of graphic narration that is a fun (and at many times touching) adventure story. Regardless if you are familiar or not with Santa Ana's fight to gain Mexico's independence from Spain or his pivotal role in the Mexican War, this is a graphic novel that anyone can enjoy simply because it is a solid story with some of the most striking and emotive coloring I have seen in a long-time. Van Jensen and Jose Pimienta take an unlikely protagonist and truly put together a wonderful book that is perfect for anyone looking for something a little different than the typical comic fare!

Snoopy's appearances here may come as the biggest surprise: he behaves, for the most part, like a dog!

O/A WHY I KILLED PETER GN

(W/A/CA) Alfred Ka, Oliver Ka
By the artist on the new *Dungeon Twilight 4!* "Peter was a populist priest. He was cool. He was funny. He was no priest, just a regular guy. It's like I had another uncle. A great one, who laughed, who sang, who tickled. Until he took us for summer camp. Until we were so close, temptation came in the picture." Based on a true story that the writer experienced himself, this graphic novel presents very simply the grey areas in such a situation, how he had tucked the whole episode deep within him but then how his rage and self-pity let it all out and finally revisiting the man when close to death and his coming to grips. A moving, topical, and important work, sensitively presented. (STK379190)

Building Stories follows the inhabitants of a three-flat Chicago apartment house: a 30-year-old woman who has yet to find someone with whom to spend the rest of her life; a couple (possibly married) who wonder if they can bear each other's company for another minute; and finally, an elderly woman who never married and is the building's landlady. The scope, the ambition, the artistry and emotional heft of this project are beyond anything we have yet seen from this artist or in this medium. (STK471147) (C: 1-0-0)

Guanyin's safety on the journey will be under constant threat from bandits, demons, and other supernatural beings. The Monkey God will be difficult to control — he was imprisoned for rebelling against gods and emperors. How will Guanyin be able to make the Monkey God deliver his side of their agreement? When the ferry the intellectual Humphrey van Weyden is aboard sinks off of the San Francisco Bay, he drifts in the ocean until a seal-hunting schooner, under the command of hardened sailor Wolf Larsen, rescues him. Wolf Larsen is an incredibly strong brute and a hedonist who sees no value in life but is also educated— he likes that Humphrey (or "Hump") is someone he can have meaningful conversations with, and decides to let him stay. This rescue comes with a catch, however— the boat is not returning to port soon. If van Weyden wants to stay onboard he must become a cabin boy and do chores on the ship, while he avoids angering the murderous crew. Furthermore, if he's going to survive this trip, van Weyden must keep the crew from killing their captain, and the captain from tossing him overboard. (STK633322) (C: 0-0-1)

SILVER
Dark Planet

Publisher Dark Planet comes onto the comic scene in a big way this November with the exciting launch of their first title, *Silver!*
Do you have a penchant for wise-cracking, Indian Jones type treasure hunters? Perhaps you are a pulp-era adventure kind of comic reader who likes no nonsense dames, super-secret societies, and enough action and intrigue to keep you turning pages? Or maybe you are simply looking for a new supernatural mystery that builds upon Bram Stoker's groundbreaking vampire novel? Well, *Silver* is all this… and more!
Follow quick-witted con-man James Finnigan and his team (including Van Helsing's granddaughter Rosalynd Sledge) as they search for Count Dracula's greatest mythical treasure, The Silver Dragon! Fans of the *Indiana Jones* films and *Tomb Raider* video game series will quickly take a liking to Stephan Franck's quick-paced, action-packed writing, and his heavy inked, atmospheric Mignola-esque art style will easily transport you into the 1930s world that he has created for his eclectic group of vampire fighting treasure hunters.
If you are looking for action, adventure, and danger (as well as some clever humor) this is a book I would pick up and publisher I would keep an eye out for!

Just when you thought it was safe to go back into your local comic store, along comes the one-off *Space Detective* collection, the third volume in Avon's much loved SF anthology series featuring artwork by such top talents as Wallace Wood, Joe Kubert, Everett Raymond Kinstler, Alvin C. Hollingsworth and Charles Sultan. This volume collects *Space Detective* issues #1-4, July 1951 to July 1952. Also featuring *Attack on Planet Mars* (1951), *Rocket to the Moon* (1951), and *Robotmen of the Lost Planet* (1952). (STK654130)

ROY THOMAS PRESENTS: SHEENA, QUEEN OF THE JUNGLE VOLUME 3 SLIPCASE EDITION
(W) Roy Thomas (A) Robert Webb, Alex A. Blum
She may still be everyone's favourite yellow-tressed leopard-skin-clad Jungle Jane but, having made her first appearance almost 80 years ago (courtesy of Will Eisner and 'Jerry' Iger in the British mag *Wags* #1), Sheena, Queen of the Jungle could be forgiven for being somewhat less spritely swinging through the trees righting wrongs and wielding her knife. In 1938, she made it Stateside with her first showing in *Jungle Comics* #1 where she settled happily in every issue (plus a decade in her own title) until April 1953. There have been other incarnations, of course, but it's this classic material that strikes at the very heart of Good Girl Art! Collects *Sheena: Queen of the Jungle* issues #11-18 (Spring 1951 to Winter 1952). (STK654132) (C: 0-1-1)
HC, 312pgs, FC $64.99

ROY THOMAS PRESENTS: DICK BRIEFER'S FRANKENSTEIN: 1948-52 HC
(W) Roy Thomas, Dick Briefer
(A/CA) Dick Briefer
Dick Briefer's *Frankenstein* is widely regarded as being America's first ongoing horror series. Indeed, it was Briefer's work that probably caused the creature to be actually named as Frankenstein instead of the nameless monstrosity from Shelley's novel. Splitting the stories between two stools-humor and horror-Briefer's tales are absorbing and unsettling in equal parts. Some of the humorous material has already been reprinted, though not necessarily in order nor in total. Until now, of course! Collects *Frankenstein* #16-21 (November/December 1948 to October/November 1952) (STK654133) (C: 0-1-0)
HC, 7x10, 240pgs, FC $47.99

DJANGO / ZORRO #1

Dynamite Entertainment

Tarantino's *Django Unchained* turned out to be yet another one of the filmmaker's many successful and critically acclaimed films in his mounting catalog of work. Dynamite Entertainment now brings comic fans the first (of hopefully many) all-new, original stories of the man named Django, and his first tale presents another familiar hero of the West.

When Django has a fateful encounter with the wealthy and mysterious Don Diego de la Vega, neither of them can fully comprehend the others' potential at first glance. In a short time, both Django and de la Vega (the man otherwise known as Zorro) will quickly realize that a partnership between the two could prove invaluable when it comes to taming the brutality of the Wild West. De La Vega, a man on a mission to find corruption, will hire Django, a man without a path, to seek out De La Vega's next target for justice.

Django creator Quentin Tarantino teams with famed comic writer Matt Wagner to bring back both heroes to the world of comics with the team-up you never saw coming. For Django, the "D" may be silent, but Zorro's "Z" will speak loud enough for the both of them.

In a galaxy savaged by strife, torn by civil war, boiling with spilt blood, Alien Legion is a cosmic military force doing its damnedest to keep the peace by being always ready for war. At the tip of the Legion's multi-species spear is Force Nomad — the worst of the worst fashioned on the white-hot forge of battle into the best of the best. Now the squad's grizzled veterans are on what should be a boring milk run; shepherding refugees fleeing a civil war ripping apart their system. Could be a good chance to toughen the newbies of Nomad into soldiers, until straight-up peacekeeping descends into full-scale war! (STK654173)

And with India at the forefront of human spaceflight, it's not only Earth that falls to her predations if she succeeds -- but the whole cosmos! MONO #1
(W) Liam Sharp
(A/CA) Ben Wolstenholme
"From the Boer War, through the First and Second World War, the Cold War and beyond, Mono was there...where no one else could go..." The ape-human hybrid secret agent and Queen's assassin, possessed of a deadly prehensile tail and "the strength of twelve men," made his debut in the pulps of the 1930s and enjoyed a brief revival in the late 1960s and 70s. But can it be that the fiction is closer to historic fact than was ever previously guessed? Now a series of tales, told in hand-written journals and reported first-hand by those that knew him, reveal Mono as a dual-natured and conflicted adventurer — savage and noble; civilized, but ultimately untamable.

O/A GOD IS DISAPPOINTED IN YOU HC (CURRENT PRINTING)
(W) Mark Russell
(A/CA) Shannon Wheeler
God Is Disappointed in You is for people who would like to read the Bible... if only it would cut to the chase. Stripped of its arcane language and interminable passages, every book of the Bible is condensed down to its core message, in no more than a few pages each. Written by Mark Russell with cartoons by *New Yorker* cartoonist Shannon Wheeler, *God Is Disappointed in You* is a frequently hilarious, often shocking, but always accurate retelling of the Bible, including the parts selectively left out by Sunday School teachers and church sermons. Irreverent yet faithful, this book is a must-read for anyone who wants to see past the fog of religious agendas and cultural debates to discover what the Bible really says. (STK612747)

But when the pirate queen learns that her loved ones are held hostage in the nightmarish Berlin, she has no choice save to intervene directly, travelling into the belly of the beastly metropolis. Within that alienated city await monsters, criminals and legends, including the remaining vestiges of Germany's notorious "Twilight Heroes," a dark Teutonic counterpart to Mina Murray's League of Extraordinary Gentlemen. TWOMORROWS PUBLISHING

MARVEL COMICS IN THE 1980S SC

(W) Keith Dallas

TwoMorrows Publishing presents *Marvel Comics in the 1980s*, the third volume in Pierre Comtois' heralded series, which covers Marvel's final historical phase. The 1980s saw Stan Lee's retreat to the West Coast, Jim Shooter's rise and fall as editor-in-chief, the twin triumphs of Frank Miller and John Byrne, the challenge of independent publishers, and the weakening hold of the Comics Code Authority that led to the company's creative downfall. Comics such as the Chris Claremont/John Byrne *X-Men*, Frank Miller's *Daredevil*, the new wave of dark heroes such as Wolverine and the Punisher, and more are all covered, in analytic detail and often irreverent manner. The 1980s represented years of upheaval in the comics industry, so expect a bumpy ride in the 1980s decade that marked the beginning of the end of Marvel Comics as you knew them! (STK654289)

(W/A/CA) Derek Van Gieson

A funny, heady, noir inflected neo-satanic conspiracy that reaches all the way down to the origins of comics. *Eel Mansions*, Derek Van Gieson's first full-length graphic novel, is a supernatural soap opera noir. Set in Mill City: a grimy place inhabited by new wave satanists, secret agents, booze-hounds, record-store clerks, conspiracy theorists, murderers, and cartoonists. In 1977, Dave Sim began to self-publish *Cerebus*, one of the earliest and most significant independent comics, which ran for 300 issues and ended, as Sim had planned from early on, in 2004. What few interviews Sim gave often pushed the limits of what an interview might be in much the same way that *Cerebus* pushed the limits of what a comic might be. In interviews Sim is generous, expansive, provocative, and sometimes even antagonistic. While the interviews range from very general, career-spanning explorations of his complex work and ideas, to tightly focused discussions on specific details of *Cerebus*, all the interviews contained herein are engaging and revealing. SPOTLIGHT ON

CONAN THE BRUTAL FAUX BRONZE STATUE

Quarantine Studio is proud to present, Conan the Brutal Faux Bronze! A warrior who will stop at nothing to lay waste to his enemies, the weapons and costuming reflect the bigness of him, nothing delicate. Forget the necklace, too; this is war. His confidence is in his attitude that once you cross him, you are irrelevant. He has nothing to prove to you or anyone else. He is a brute and a man with a mission and a righteous cause. He doesn't care if you cower in fear, for in short order you are dead. This limited edition 1/6-scale figure stands 14 1/2" tall on a 7" x 8" base littered with relics of battle and the ruins of a once-formidable palace column. MONOGRAM: LI'L COFFIN 1/24-SCALE MODEL KIT

STAR TREK

FEATURED ITEM

STAR TREK: KLINGON BAT'LETH PROP REPLICA

Klingon oral history holds that the first *bat'leth* was forged circa 625 CE by Kahless, who dropped a lock of his hair into the lava from the Kri'stak Volcano, then plunged that fiery lock into the lake of Lursor and twisted it to form a blade. After forging that weapon, he used it to defeat Molor and, in so doing, united Qo'noS. The name *bat'leth* itself means "Sword of Honor" in the Klingon tongue. Constructed of high-grade aircraft aluminium and featuring a genuine split-leather grip, this 1/1-scale prop replica measures 43" long, is 1/4" thick, and weighs an impressive 4 pounds. This is truly a substantial display piece and comes with a cold-cast resin display stand and Certificate of Authenticity. (STK654644) Scheduled to ship in November 2014. STAR WARS

FEATURED ITEM

EFX STAR WARS: BIKER SCOUT HELMET PROP REPLICA

The Imperial Scout Troopers were a specially trained garrison of the Stormtroopers. They were outfitted with light armor which made them more mobile and efficient for their reconnaissance duties. The signature piece of equipment utilized by the Scout Troopers was the 74-Z Speeder Bike, thus earning them the nickname "Biker Scouts." The Scout Troopers were first seen in the Star Wars saga in Episode VI: Return of the Jedi on the forest moon of Endor. The Biker Scout helmet and armor was designed by Nilos Rodis-Jamero. As with many of the Imperial helmets made, this helmet was made in vacuum formed ABS plastic. The symbols and markings on the helmet were hand applied decals. You can see the lineage of these elements to the original stormtrooper helmets first seen in Star Wars Episode IV: A New Hope. This helmet had the unique feature of the pivoting visor. The unique symbol seen on the side of the visor was designed by ILM's Pete Ronzani. The symbol was actually a logo he designed for his own personal business card. The EFX master patterns were made from these original wood patterns, thus there was no digital scanning or 3D modeling used to produce this helmet. Thus, this is the most accurate reproduction of the Scout Trooper helmet possible. We even had an original decal sheet of the symbols and markings to produce our decals. (STK653389) Scheduled to ship in November 2014. (1859/0114120) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

From World Wide Multi Media. In the late 70s, a group of college students and their professor ventured onto an uninhabited island for a day of exploring flora, fauna, and co-ed fun. The class fieldtrip quickly becomes a grisly nightmare as the students and faculty soon discover they are stranded and the island is crawling with ravenous, flesh-eating ghouls, reanimated as Zombies by an insane Nazi scientist who can resurrect and control the dead. Just when the slaughter levels out, a three-headed abomination comes out of hiding that even its creator can't control. SOUNDTRACKS

THE CAT O' NINE TAILS ORIGINAL SOUNDTRACK

From AMS/Cinevox. Il gatto a nove code (*The cat o 'nine tails*), filmed in 1971, is the second film by Dario Argento, and the collaboration with the composer and conductor Ennio Morricone, already known for his work on Sergio Leone's western movies, is here renewed. When the previous soundtrack for Argento's first movie had proved to be a really tough listen, here Morricone goes even further, creating a really dissonant and avant-garde sound, with practically one single basis theme in the form of a few essential bass guitar notes. Like many other soundtracks of those years, *The cat o 'nine tails* had to wait more than 20 years to see the light in its entirety, with a single 45rpm released at the time! Today, this score is reissued by AMS Records in LP format with gatefold cover. The first 500 copies come in yellow vinyl. (STK654283) (C: 0-1-1)

Packaging includes 180 gram fluorescent pink vinyl housed in a heavyweight tip on tacket with film laminate gloss finish. (STK654251) (C: 0-1-1)

EL TOPO ORIGINAL SOUNDTRACK

From Real Gone Music. 1970's El Topo was Mexican surrealist Alejandro Jodorowsky's bloody surreal take on the Western genre. Funded by John Lennon and Yoko Ono, this film is like a Sergio Leone film on a serious dose of brown acid. The soundtrack is comprised of 18 tracks composed by Jodorowsky and John Barham inspired by both the soundtrack work of Ennio Morricone and Nino Rota. Full of flutes and droning horns, accordions and organs and twisted Mariachi styles. The music is as visceral as buzzing flies around the rotting corpse of an evil marauder. (STK654151) (C: 0-1-1)
Vinyl $27.98

ONLY LOVERS LEFT ALIVE ORIGINAL SOUNDTRACK

The original soundtrack from Jim Jarmusch's 2013 crypto-vampire love story *Only Lovers Left Alive*, starring Tom Hiddleston (*Thor: The Dark World*) and Tilda Swinton (*Snowpiercer*). SILVER
Dark Planet

Do you have a penchant for wise-cracking, Indian Jones type treasure hunters? Perhaps you are a pulp-era adventure kind of comic reader who likes no nonsense dames, super-secret societies, and enough action and intrigue to keep you turning pages? Or maybe you are simply looking for a new supernatural mystery that builds upon Bram Stoker's groundbreaking vampire novel? Dark Planet's debut title *Silver* is all this… and more!

Follow quick-witted conman James Finnigan and his team (including Van Helsing's granddaughter Rosalynd Sledge) as they search for Count Dracula's greatest mythical treasure, The Silver Dragon! Fans of the *Indiana Jones* films and *Tomb Raider* video game series will quickly take a liking to Stephan Franck's quick-paced, action-packed writing, and his heavy inked, atmospheric Mignola-esque art style will easily transport you into the 1930s world that he has created for his eclectic group of vampire fighting treasure hunters.

If you are looking for action, adventure, and danger (as well as some clever humor) this is a book I would pick up and publisher I would keep an eye out for!

DJANGO / ZORRO #1
Dynamite Entertainment

Quentin Tarantino's *Django Unchained* was the latest of the filmmaker's many successful and critically acclaimed films in his mounting catalog of work. Dynamite Entertainment brings comic fans the first all-new, original story of the man named Django, and his first tale presents another familiar hero of the West.

When Django has a fateful encounter with the wealthy and mysterious Don Diego de la Vega, neither can fully comprehend the others' potential at first glance. In short order, both Django and de la Vega (the man otherwise known as Zorro) quickly realize that a partnership could prove invaluable when it comes to taming the brutality of the Wild West. De La Vega, a man on a mission to find corruption, will hire Django, a man without a path, to seek out De La Vega's next target for justice.

Django creator Quentin Tarantino teams with famed comic writer Matt Wagner to bring back both heroes to the world of comics with the team-up you never saw coming. For Django, the "D" may be silent, but Zorro's "Z" will speak loud enough for the both of them.

THE LEG
Top Shelf Productions

Writer Van Jensen (*Pinocchio Vampire Slayer*) and artist Jose Pimienta (*A Friendly Game*) team up to give comics fans an atypical and action-packed Wild West adventure centered around an unlikely hero, the disembodied leg of the immensely famous Mexican president, Santa Ana. Follow the leg (yes, just the leg) as he combats cantankerous criminals and battles brutish *brujas* in a mission to save the current Mexican president and atone for the notorious actions that his corporeal body was known for at the end of his life and political career.

Beautifully crafted, *The Leg* is a story that seamlessly blends history, the supernatural, and fiction into a colorful whirlwind of graphic narration that is a fun (and at many times touching) adventure story. Regardless if you are familiar or not with Santa Ana's fight to gain Mexico's independence from Spain or his pivotal role in the Mexican War, this is a graphic novel that anyone can enjoy simply because it is a solid story with some of the most striking and emotive coloring I have seen in a long-time. Van Jensen and Jose Pimienta take an unlikely protagonist and truly put together a wonderful book that is perfect for anyone looking for something a little different than the typical comic fare!

MOOMIN DELUXE ANNIVERSARY EDITION HC IN SLIPCASE

Drawn & Quarterly

There is so much to learn about Moomin. Important things like: Moomin is a troll; Moomin loves The Snork Maiden who's very similar to a troll; and Moomin lives with his parents MoominMamma and MoominPappa who are -- but should not have been assumed to be -- also trolls.

These key facts will surely help the uninitiated, but too much more explanation tends to bog down the simple joy of these comics. It would be like trying to define *Peanuts*, *Calvin and Hobbes*, or *Totoro*. Once you have the names and relationships, their creator has done such a masterful job making the characters play on paper that it's just best to let the characters speak for themselves with their own wonderful, quirky, honest voices.

Drawn and Quarterly must agree with my assessment, because after releasing 20 different, sparkling *Moomin* volumes over the past 7 years (all still in print!), they're bringing forth an amazing new collection: the *Moomin Deluxe Anniversary Edition* hardcover. It's all in celebration of *Moomin*'s fabulously talented creator, Tove Jansson. It's been 100 years since her birth and this collection pulls together more than 450 pages of her life's work. Recognized internationally as a children's author of the highest order, she was also an author, illustrator, and satirist. Her *Moomin* career began during the Second World War, when she was determined to create something that brought happiness. And what happiness!

Come pick up a collection full of happiness in special happiness slipcover and join myself and Drawn and Quarterly in wishing Tove Jansson a very happy centenary!

HOWARD NOSTRAND'S NIGHTMARES

IDW Publishing

When you think of horror comics, the gory days of the EC Comics come to mind for many older fans, to some *Creepy* and *Eerie* magazines, while *House of Mystery* and *The Witching Hour* scared readers decades later. In all cases scary stories were illustrated by some of the biggest names in comic book history. Classic stories were illustrated by artist like Jack Davis, Graham Ingels, Steve Ditko, Bob Powell, and Howard Nostrand, an artist that made you want to read the Harvey comics horror titles.

My first real knowledge of Howard Nostrand was reading the graphic story magazine featuring an interview with him. At that point I began looking for comics with his work, much like how I got hooked on Alex Toth. Nostrand's style was a mix of the Jack Davis cartoon style but with a slickness and moody finish associated with Wood, Lee Elias, and Bob Powell. While some consider him the king of the swipes, Nostrand could take other artists' ideas and make them uniquely his own

While there have been other publishers that have reprinted some of Nostrand's work, this edition is reproduced from the original art, no small feat given the age of these stories. If you look at the quality of the IDW Artist Editions then you know what the quality of this book will be.

Howard Nostrand's Nightmares from IDW Publishing is a welcome addition to a library already filled with archives of EC Comics, ACG, Fiction House, and Harvey Horror collections.
